Twelfth Annual  
**OAKWOOD STOCK FARM SALE**

Ashville, Ohio

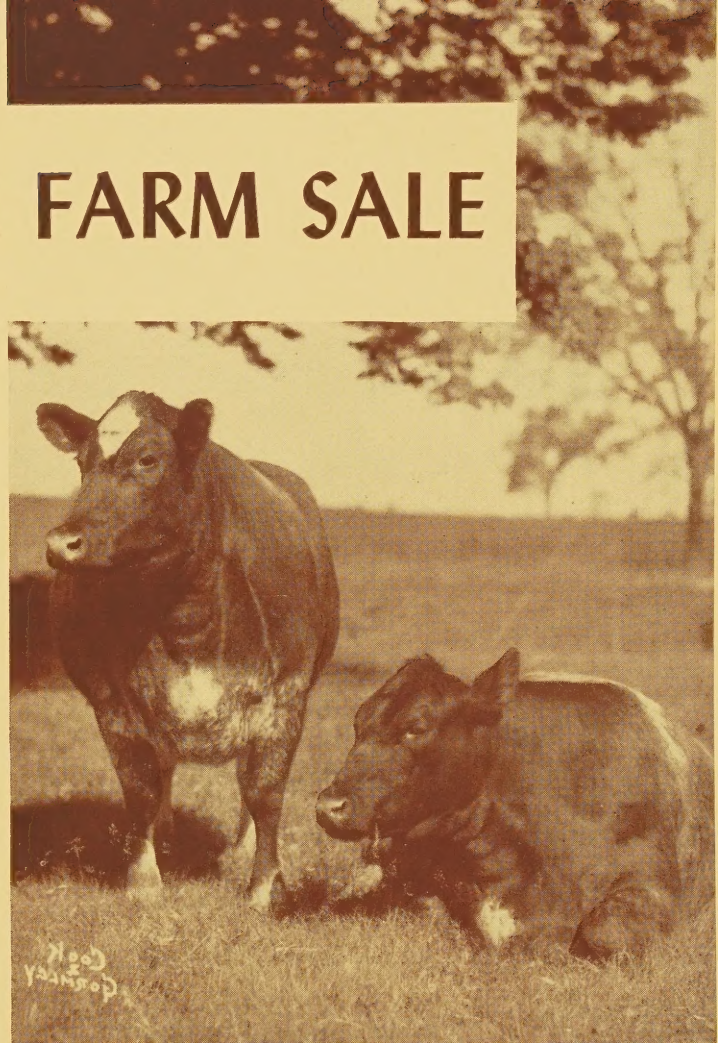

Thursday

May 31

1951

C. B. Teegardin & Sons, Owners, Ashville, Ohio

Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Ill.

### PLEASE NOTE

The Annual Spring Show and Sale of the Ohio Polled Shorthorn Breeders' Association will be held at the Ohio State Fair Grounds in Columbus on Friday, June 1st, the day following our sale. We will be glad to cooperate with that organization in assembling and shipping cattle bought in both sales.

## GENERAL INFORMATION

This auction sale will be held at Oakwood Stock Farm owned by C. B. Teegardin & Sons, Ashville, Ohio, on Thursday, May 31, 1951.

The sale will start at 1:00 P. M., Eastern Standard Time. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one half mile.

**We ask all who travel by train to advise us in advance so that we can meet them in Columbus.**

We suggest that you come to the sale early so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as the herd bulls.

The auctioneers will be J. E. Halsey and Paul Good.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

Ned Place, Eastern Representative, The Shorthorn World, Wapakoneta, Ohio.

Mervin Aegerter, Western Representative, The Shorthorn World Seward, Nebraska.

E. M. Huff, The Breeder-Stockman, Warrenton, Virginia.

Clinton K. Tomson, American Shorthorn Breeders' Ass'n., Chicago, Ill.

F. W. Harding, 807 Exchange Ave., Chicago, Ill.

Stanley Perkins, American Shorthorn Breeders' Ass'n., Chicago.

**Please bring this Catalog with you to the Sale**

# *We Invite You . .*

We extend a cordial invitation to all who are interested in Polled Shorthorn cattle to be with us on the occasion of our Twelfth Annual Sale. Because Oakwood ended the year 1950 in a blaze of glory by winning eleven first prizes and two championships at the International Live Stock Show, the selection of the 1951 sale offering provided a greater challenge than ever before. We simply had to follow up our best show year with our strongest sale offering! Although we think we have done it, we are perfectly willing to allow final judgment to rest in the hands of the public.

Of one thing we are very sure . . . the herd bulls that are in service now are the best in the history of Oakwood and we feel surer of complete buyer satisfaction in offering their get and service than ever before.

It is natural to believe in one's efforts when they have covered a span of thirty-five years. There is a great fascination in the never-ending game of improving livestock . . . always striving to make each new generation better than the last. We take pardonable pride in the achievements here at Oakwood with the cattle we have owned. There is a particular thrill that goes with seeing them leave Oakwood and do well for their buyers. This lot of cattle is submitted with greater confidence in their worth to the breed and their new owners than we have ever had in the past.

*Paul H. Keggardin*

**This is The "Opportunity Sale" in Polled Shorthorn History**

## Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

## Terms

The terms of the sale are cash.

## Health

The Oakwood Polled Shorthorn herd is Federally Accredited for Tuberculosis and is tested regularly for Bangs Disease. Health charts will be provided that will comply with the regulations existing in any state. Nearly all of the females in this sale have been vaccinated for Bangs. We practice calthood vaccination at Oakwood and all calves are pretested and clean before vaccination.

## Headquarters

Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

***Let us make your Hotel Reservations for you. Try to arrive early for an inspection of the breeding herd.***

# Here are the Much Admired 1950 Oakwood Champions . . . Uniformly Good . . . That's Why They win in the Group Classes

Dr. A. L. Darlow of Oklahoma A. & M. College judged the entries of twenty nationally known Polled Shorthorn breeders at the 1950 International Live Stock Show. He had a total of twenty first prizes and four championships to award. When the judging was completed **eleven first prize ribbons and two championship ribbons had been tied on Oakwood entries!**

Six other breeders divided the remaining nine first prize and two championships. On another page will be found a list of prizes won by Oakwood Polled Shorthorns . . . and needless to say, we are very proud of it.

## The Place To Buy Champions Is Where Champions Are Bred

The records listed on the opposite page prove many things. They prove that the Oakwood type is the RIGHT type. The large number of top awards in the group classes prove that Oakwood Polled Shorthorns are UNIFORMLY GOOD. Most important of all, they prove that the sires in service today at Oakwood are the best in the history of this famous herd. Study the pictures on these two opposite pages. These are Oakwood bred animals. They are of the same type and quality as the 52 animals to be sold in the 1951 Oakwood Auction Sale.

## Oakwood Leader Sired:

Royfield's Leader, grand champion bull. Exhibited by Roy Hopper, Fredonia, New York, who purchased his dam as a bred heifer in our 1948 sale. He sold at \$2,750 to Mr. & Mrs. C. Henry Baum, West Lebanon, Indiana.

Five head sired by Oakwood Leader averaged \$1,220. The cattle sired by Oakwood bred sires or out of Oakwood bred dams averaged \$941, while the sale average was \$559.

First prize get-of-sire, first prize pair, bull and female, bred and owned by exhibitor are included in this group. He also sired: first prize bull in the two-year-old class, second prize two-year-old heifer, second prize pair of bulls, second prize best three head and third prize pair of females.

# To sum up the 1950 Oakwood Show Record

The Oakwood show herd was exhibited at the Illinois, West Virginia, Ohio and Maryland State Fairs and the International Live Stock Exposition in 1950. We had entries in 89 classes in these five shows. We won a total of

**60 firsts**

**26 thirds**

**31 seconds**

**16 fourths**

**11 championships**

That's the record. We are proud to submit the 1950 figures and we hope it would indicate that our herd bulls, Oakwood Leader and Commander-in-Chief are siring the right kind. And . . . at the risk of frightening the other showmen who follow the tanbark trail, we think we will be out in 1951 with an even stronger exhibit.

**Here are the People who represent Oakwood Stock Farms.**

Paul W. Teegardin and Mrs. Paul W. Teegardin

"There will always be a hearty welcome at Oakwood Stock Farm for those who share our love for good Polled Shorthorns."

Ten heifers that will never leave Oakwood.

Every heifer in this offering, except four, was officially vaccinated between the ages of four and eight months with Strain No. 19 for Brucellosis. All were pre-tested before vaccination and were negative. Since this is our practice, we have not mentioned vaccination, individually, in our foot notes.

## The Oakwood Influence

This map on the front of the Oakwood auction block tells a convincing story of the influence of a great herd on the cattle stocks of the world. In almost every one of these United States and in eleven foreign countries Oakwood Polled Shorthorns are at work . . . building a greater breed and increasing the profits of their owners. Such recognition must be deserved. Such recognition cannot fail to cause within YOU a great desire to improve the Oakwood way.

# DID YOU KNOW THAT . . .

a total of 487 head of outstanding Polled Shorthorns have been sold in the eleven Oakwood Auctions for a total of \$349,110.00 and a general average of \$717.00?

Were they appreciated? We believe the answer to this question is obvious. A total of 158 different breeders have bought them and most of these men have been repeat buyers.

Is the interest in Oakwood productions widespread? Study the list that follows! The cattle in eleven Oakwood auctions have been scattered to 26 states, one Canadian province and two foreign countries. Add to these the scores of breeders who have bought at private treaty and you will agree that Oakwood productions are at work wherever good Polled Shorthorns are known and appreciated.

In the eleven Oakwood auctions, 88 bulls have averaged \$943 and 399 females have averaged \$666. Oakwood Polled Shorthorns are within the price range of every breeder who is eager to work **SURE** improvements.

The list on the following pages will show the widespread distribution of the cattle that have been sold through eleven previous Oakwood auctions. We believe the list to be complete, although errors are possible. If any name has been omitted, it is purely an oversight. We are proud of this list and equally proud of scores of others who have bought privately but whose names were not available when this list was prepared. In studying this list we believe you will agree that the best judges of the breed have been Oakwood patrons. Here they are . . . the "Oakwood Roll of Honor.":

**A better sire than Oakwood Leader  
x never has been bred or used at  
Oakwood Stock Farm . . .**

**True to His Name His Calves Have  
Led Oakwood to Still Greater Tri-  
umphs . . .**

Oakwood Leader x may prove himself the best sire to date at Oakwood. Let's look at 1950 and the Oakwood Leader x achievements.

He sired the grand champion bull at the National Polled Shorthorn Congress.

He sired the first prize get-of-sire and the best pair—bull and female at the Congress.

He sired Oakwood Bequest x, grand champion bull at the Illinois, Ohio, West Virginia and Maryland state fairs.

He sired the grand champion female at the Ohio and West Virginia state fairs.

He sired the winning get-of-sire at the Ohio, West Virginia and Maryland state fairs.

He sired the TOP SELLING bull of 1950, Oakwood Medalion x at \$4,000.

He sired the reserve grand champion female at the 1950 International.

He sired five animals in the best ten head at the 1950 International—and his half brother, Commander-in-Chief x, sired the other half.

The top selling female in our 1950 sale was his daughter.

Oakwood Leader x has a cracked shoulder since last October and we are getting but a very few cows mated to him. We fully expect this sale will be the last opportunity to buy his daughters—for we need them to carry on the tradition of our greatest sire to date.

## Oakwood Conqueror x

Oakwood Conqueror was grand champion bull at the 1949 Ohio State Fair, and he was the first prize senior yearling bull at the International. He stood third at the American Royal—the highest rating made by any polled bull in that National show. He is a grandson of the two great bulls, Edellyn Royal Leader and Gosshall Ximenes. He has a sire's head and front. He is deep-bodied, short of leg, thick and full-quartered. To us he combines the "most of the best" in Shorthorn inheritance and wears it well with a polled head.

His first calves indicate they are the kind you'd expect him to sire—ask to see them sale day. We feel that this bull, along with Oakwood Leader and Commander in Chief represent a trio of herd bulls that are the best we have had in service at Oakwood.

## Commander in Chief x

It was the outstanding excellence and promise of Commander in Chief, as a six weeks old calf, that prompted us to buy Lady Golden 5th. To us she was a "natural" as a brood cow and we wanted to mate her to Gosshall Ximenes. From this mating she produced Oakwood Leader.

Commander in Chief sold in our 1944 sale to Clare B. Turner & Sons, Cass City, Michigan. Everyone was impressed with his outstanding conformation, rich color, levelness, balance and shortness of leg. When the Turners wrote that they wanted a young bull to use on the heifers by Commander in Chief, I visited their farm. Their I saw twelve of the most uniform yearling heifers in pasture I have ever seen. We drove to another pasture and saw Commander in Chief with the cow herd. A dozen calves were with the cows. They, too, had the same good heads, the same short legs, the same depth of body and thickness of quarter. They all looked alike!

We sold a half-interest in Commander in Chief in July, 1949, to W. H. McCeney, Jr., Sporting Field Farm, Capon Bridge, West Virginia.

The first calves dropped at Oakwood were all we had hoped for. At this time, might we say, they have exceeded our expectations—and the 1950 International attests our confidence in Commander-in-Chief.

His son, Oakwood Mainstay, was reserve champion bull.

His sons, Oakwood Reporter and Oakwood Predictor were first and second junior bull calves.

His first daughter dropped at Oakwood—Oakwood Myrtle 4th—topped the senior calves.

His daughter, Oakwood Nonpareil A, stood third and she's selling in this sale.

His calves won first prize get-of-sire—standing ahead of the second prize get by Oakwood Leader.

Three calves by Commander-in-Chief won first prize junior get-of-sire, an honor won previously at the Ohio, West Virginia and Maryland state fairs.

He sired half of the winning best ten head.

With Oakwood Leader, he sired the first prize three bull group, the first prize pair of females, and the first prize pair of calves.

# We're Keeping This Pair for Herd Bull Insurance

We are continually looking ahead at Oakwood. Something could happen to Oakwood Leader x, Commander-in-Chief x, or any of the other herd bulls upon which we are pinning such great faith. We believe in herd bull insurance, hence we are keeping this pair. Don't you agree that we are ready for the worst that might happen?

**Above—Oakwood Predictor x**—This son of Commander-in-Chief x out of a dam by Coronet Command x is being retained at Oakwood to follow Commander-in-Chief x. His second dam is by Oakwood Commander x, 1940 International grand champion bull.

**Right—Oakwood Distinction x**, sired by Oakwood Leader x, dam the champion Gloster of Oakwood B x, is being retained for 1951 shows—and to carry on the Oakwood Leader x tradition.

# The Best Bull To Ever Leave Oakwood

## OAKWOOD MAINSTAY X

We're showing you three poses. The two at the left were taken at the 1950 International Live Stock Exposition where he won the reserve grand championship. Below he is shown in the form that won him top honors at earlier 1950 shows.

**OAKWOOD MAINSTAY x** is the BEST bull to ever leave Oakwood. He certainly is one of the BEST bulls we have ever bred or owned. Further, he's one of the most POPULAR bulls with the ringside that we have ever shown.

His dam is one of the best daughters of Gosshall Ximenes, a deep bodied, heavy milking cow that raises two calves—and she's a deep rich red in color. She's backed by Oakwood Emperor x, Oakwood Royal King x and Oakwood Baron x, all International grand champion bulls. Thus—we feel he inherited the right to be a sire.

These factors, coupled together, made Will Stewart and Ralph Mansfield determined to take him to Australia. They reputedly have the best herd of Shorthorn cows in Australia. They were buying their first polled bull and they were determined to buy the BEST bull available in the U. S. and they picked Mainstay.

At the top price, to date, for a Polled Shorthorn bull, the 1950 International reserve champion bull goes to the Kyalla Stud at \$6,500.

We have mated a very few of our best breeding cows to Oakwood Mainstay x. We hope to get a bull calf to carry forward from his service here at Oakwood.

We have gone out and added a few of the best heifers we have ever brought to Oakwood to mate to this bull that we might offer the Polled Shorthorn breeders of the country an opportunity to own something mated to him. We are proud of Oakwood Mainstay and we are confident of the worth of the heifers we have selected to carry his service. If you share our confidence in the bull, we are sure you'll aspire to own them.

## Oakwood Bequest X

We want you to study this famous champion on sale day.  
You'll be sure to share our confidence in him.

Paul Teegardin, owner, and Harvey Ferguson, herdsman, bring Oakwood Bequest x out for display at the farm after he had won grand championships at four great state fairs.

As he looks today.

As a junior calf at the 1949 International.

**OAKWOOD BEQUEST x**, the 1950 Illinois, Ohio, West Virginia and Maryland state fairs grand champion bull is what, we at Oakwood, consider our best bull produced to date. He was sick at the International and wasn't in show form—but today we feel he is on the road back and we expect to show him again in 1951.

He looks like a sire. The record of Oakwood Leader and of his sire, Gosshall Ximenes, as sires of better Polled Short-horns make us feel he inherits that right. What about his dam? Bonnie Butterfly 2d is a dark even roan, a heavy milker and a cow of depth and thickness. She's by the 1941 International grand champion, Coronet Command, and her dam Bonnie Butterfly is sired by a son of Augusta's Lady 15th—thus giving us a double infusion of that blood. The third dam is a granddaughter of our own Royal Count Jr., the first real sire ever used at Oakwood.

Oakwood Bequest x is a full brother to Oakwood Bardolier that topped our 1949 sale at \$3400 to go to King Bros. in South Africa. The few calves by Oakwood Bardolier at Oakwood are very impressive.

We have used Oakwood Bequest x liberally on this sale offering. We have many of our own cows mated to him, for we feel he is worthy of carrying forward the tradition of Oakwood Leader.

We want you to study Bequest on sale day and we are certain when you do that you'll share our confidence in him.

**OAKWOOD**

It seems almost useless for me to prepare a testimonial statement for the 1951 Oakwood sale because each page of this catalog provides convincing evidence that the Teegardins have gone all out to make this the finest offering in Oakwood history. Although the pictures are indicative of great quality and the pedigrees are unusually strong, my inspection of the offering convinced me that the cattle are even better than this catalog can possibly portray.

Elsewhere in this catalog appears a list of the names of breeders who have purchased the cattle in the eleven previous Oakwood auctions. Although such lists are frequently uninteresting, this one seems to provide convincing proof that Oakwood productions are appreciated by the best judges of the breed and that distance makes no difference to the cattlemen who want to be **SURE**.

For more than a third of a century the owners of Oakwood Stock Farm have taken the champions of the greatest live stock shows as their pattern and have made use of the blood of these champions in moulding animals of superior type and quality. The 1951 sale offering is a wonderful testimonial to their efforts.

# Would You Pay a Little More To Get a Lot More?

On the pages of this catalog will be found the pictures of some of the famous sires that have been used at Oakwood Stock Farms as well as the pedigrees of those that are at present in service. Those who study this catalog carefully will know why the top auctions have been held at Oakwood for so many years. They will also know why the real students of the breed buy Oakwood productions with such a feeling of security.

Successful breeders are aware that the management of a purebred herd may be likened to the management of a bank account . . . **you can't take out any more than you are willing to put in.** Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock . . . and the best ever offered from the Oakwood herd are in this sale.

## OAKWOOD ROYAL KING x

For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King x. No other Polled Shorthorn bull has ever equalled or even approached this record.

Our eight 1951 sale bulls appear on the following pages. All are reds or rich dark roans . . . all smooth headed.

Want the "most of the best" by inheritance, to guarantee you are right? Remember his full sister, Oakwood Happiness 12th, which went to Ashbourne Farms in our last sale? Then, you'll begin to believe in Oakwood Pass Key. Oakwood Leader was just the same kind of a bull at the same age. His reputation as a sire is established but Pass Key can do as much for your herd as Oakwood Leader has done for Oakwood.

Oakwood High Time x

**OAKWOOD HIGH TIME** is a rich, dark red. He has been used liberally on horned cows and that bespeaks our esteem for him. We think he looks like a sire, we know he inherits the right to sire them right, and we feel that he should be a one hundred percent de-horner. He's been working and he'll not be highly fitted. He shed his coat early and it's "bare" bull you see in his photo—a **BALANCED** bull. You'll like him—his depth of body, his short coupling, his full quarter and his good head. Study Oakwood Pass Key and Oakwood High Time. Same sire in Oakwood Leader, grand dams are full sisters, yes, three-fourths sisters to the three times International Championship winner, Oakwood Harmony. Dam of High Time is by Oakwood Merry King. Dam of Pass Key is by a \$4000 son of Oakwood Merry King. Prepotent bloodlines? Proof? We think so!

**OAKWOOD CHIEF TOPIC** combines most everything we would want by inheritance in a herd bull. A son of Commander in Chief, a half brother to the \$6500 Oakwood Mainstay and out of a top-notch daughter of the 1941 International Grand Champion, Coronet Command. His color is ideal. His head promises that he should be another one hundred per cent de-horner. He is a calf of quality and balance. Full quartered, level, deep and thickly covered with natural fleshing, we are confident of his future.

His dam is a heavy milker. His grand dam topped the Shenandoah Valley Sale to come to Oakwood and his third dam is by Browndale Thistle. We feel that Oakwood Chief Topic carries **GUARANTEED PERFORMANCE!**

Oakwood Passport x

**OAKWOOD PASS PORT** is a rich, dark roan. He combines scale, depth of body and thickness. Get behind him. Lots of spread all the way. Looks like he has the head of a de-horner. If you have horned cows he just should be the answer to many breeders' problems.

Pass Port is a full brother to the heifer, Oakwood Leading Missie, that Carol sold in our 1950 Sale to go to the excellent herd being assembled by South and Gallagher, Franklin, Ohio. He is another three-fourth brother to the 1950 National Congress Champion, Royfield's Leader. His dam is an excellent cow by the 1936 International Grand Champion, Oakwood Emperor, and she is a grand daughter of the "peer of sires," Oakwood Royal King. Enough, isn't it?

**OAKWOOD ELECTOR** will be one of the most popular bulls with the critical judges. He is a 1951 Model, but this family has been turning in a UNIFORM record of performance since the first calf was dropped at Oakwood by Imported Milrig Estelle. That's twenty-three years ago and we question if we have ever had a greater family. Numbers considered, it's eloquent testimony to the unlimited worth of the RIGHT FOUNDATION COW!

We bought this calf recently. He has grown up the hard way and he isn't going to be in high condition, but we rate him as a great prospect. What a heritage for a sire! Oakwood Leader and Oakwood Crown Command, on top of three International Grand Champion bulls, Oakwood Merry King, Oakwood Royal King and Oakwood Baron, and the old Imported cow, Milrig Estelle, herself! All of this means to us that he should be a sire in keeping with the SIRE'S head he carries.

**Oakwood Chief Commodore x**

**OAKWOOD CHIEF COMMODORE** is one of two sons of Commander in Chief in the offering. He is a bull of scale and great depth of body. He has a deep rear flank and one of the best hides you ever handled. A show bull, and he isn't highly fitted, but he should be a sire. A solid red, full brother a year younger looks like a show prospect.

His dam is a real one—dark, rich roan and sired by Robinwood Bombardier who has sired more champions in Indiana State Sales than any bull in recent years. Roland Clipper's daughters are rated as among the best brood cows in the country and Clipper Girl 10th is one of the better ones.

The best of Canadian breeding through his dam—new blood for Polled Shorthorns—and sired by Commander in Chief, should warrant **REAL INTEREST** in this bull!

**ROYFIELD'S LEADER x**, the son of Oakwood Leader x that won grand championship at the 1950 Polled Shorthorn Congress. He is a three-quarter brother to Lot 7 in this sale.

**ROYFIELD'S RENOWN** is a three-fourths brother to the 1950 National Polled Shorthorn Congress Grand Champion bull, Royfield's Leader, who sold at \$2750 to head the C. Henry Baum herd at West Lebanon, Indiana. The first calves by Royfield's Leader at Round Grove Farm are outstanding and we feel that Royfield's Renown has every right to be an equally impressive sire. He has the head of a sire, he's rugged, thick and "all bull"—ready for heavy service. Oakwood Union Jock, a full brother to Oakwood Union Jack, who sold at \$3000 for export to Australia, is proving an impressive sire. Go see Oakwood Myrtle 4th on Sale Day—then recall that the \$4000 Oakwood Medalion, top in our 1951 Sale, was out of a full sister to the dam of Royfield's Renown. It all adds up to ASSURANCE that this bull can be purchased with FULL CONFIDENCE!

Oakwood Custom Bilt x

**OAKWOOD CUSTOM BILT** is a solid red bull of scale and substance. If you want more weight for age, here's a bull in which you will be interested.

Thro his sire he combines the blood of Edellyn Royal Leader and Gosshall Ximenes. His dam is sired by the 1940 International Grand Champion, Oakwood Commander, and his grand dam is a three-fourths sister to the dam of the \$3900 International Reserve Champion, Cherry Hill Royal Oak, who is a son of Edellyn Royal Leader 2d.

This calf carries **PROVEN** inheritance that has made good everywhere!

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

## *About the Females in this Sale . . .*

Never have we been so completely satisfied with the quality and breeding of our female offering! Every heifer seems to have that perfect combination of individuality and ancestry that provides complete assurance of future usefulness. Just at a time when we felt that the Oakwood Herd had reached its peak strength, we had the opportunity to purchase two of the best herds in the land in their entirety . . . those that had been built to such perfection by Dr. Parke G. Smith of Cincinnati, Ohio, and Dr. R. E. Lightner of Kingston, Ohio. Since both herds had been established almost entirely on top specimens produced in our own herd, we couldn't resist the temptation to buy them. This addition of 70 head of royally bred Polled Shorthorns made possible a much wider selection with the result that our 1951 female offering is stronger than ever before.

We call your special attention to the liberal number of heifers carrying the service of Oakwood Mainstay x and Oakwood Bequest x, the two young 1950 champions. This will be the only opportunity to buy the service of Oakwood Mainstay because he leaves very soon for his new home in Australia.

Oakwood Rosewood 32nd x

**OAKWOOD ROSEWOOD 32D** is a deep bodied, broody looking daughter of Commander-in-Chief. We don't know of any other heifer to be sold in 1951 whose dam carries a double infusion of the blood of the Perth supreme champion, Calrossie Mercury. Donhil Rosewood 10th is sired by one of his best breeding sons and her dam was by another son whose calves were sensational. The third dam is a granddaughter of Millhills Rufus by Collynie Mandate, sire of Millhills Ransom. What else could one want in a daughter of Commander-in-Chief? Opportunity? We call her an UNLIMITED opportunity!

Oakwood Clara 5th x

**OAKWOOD CLARA 5TH** is a daughter of Oakwood Leader—and she's one of the better ones. She is from a family that are at the "top of the list." C. H. Clara 2d's first calf was Misty Vale Leader, that is siring great calves on the Stahl herd in Indiana. A daughter went to the Avenel Farm in our 1950 sale. We have a full sister—that's the only reason we'll consent to part with Clara 5th. Her granddam cost the late Harry Straus \$1500 in our 1943 sale, but she was carrying the 1946 National Congress top female that sold for \$1450. Two more Congress champions followed—so that's recommendation A PLENTY for any cow. Owning her **KIND** assures **PRIDE** and **PROFIT**.

**OAKWOOD BARDOLIER x.** top bull of the 1949 Oakwood sale. He was purchased at \$3400 by King Bros. of South Africa. Like Lot 11 in this sale, he was sired by Oakwood Leader and out of a dam by Coronet Command.

**OAKWOOD ROSEWOOD 33RD** is one of the shortest legged heifers to be sold in 1951. She is a marvel for thickness and spread and she's about all you'd want in fullness of quarter. Yes, she's a show prospect, and you may be interested in the fact that she's bred like Oakwood Bequest, sired by Oakwood Leader and out of a daughter of Coronet Command.

Royal Rosewood 3rd sold for \$1000 as a bred heifer in our 1946 Sale to Dr. and Mrs. Parke G. Smith. She came back to Oakwood in 1948 with the entire Misty Vale herd. Here's breeding and performance from a family of the BEST. Opportunity is doubled, for we are mating her to Oakwood Mainstay!

Nonpareil of Oakwood x

In our thinking, **NONPAREIL OF OAKWOOD** could well be one of the most valuable brood cows to ever leave Oakwood. If we didn't have a full sister to her, she'd not be offered. She's one of the four daughters of Commander in Chief we are selling.

Her dam is a grand cow and when you analyze her heritage, you'll see why. She's a granddaughter of Collynie Royal Barrage and she's also a granddaughter of OAC Ransom 2d, rated as the best breeding son of the celebrated Millhills Ransom. Rigfoot Nonpareil is by Collynie Victor Royal, by Rosehaugh Mandarin.

Doesn't she look like a heifer of such remarkable inheritance? **SUCCESS** should be teamed with her **OWNERSHIP!**

OAKWOOD MERRY MISSIE 4TH is a heifer we had planned would spend her life at Oakwood. When you see her, you'll understand FULLY!

Not only has this Edgcote Missie family produced a large percentage of our best bulls and females, but they've made good everywhere. We bought the old foundation cow, Maxwalton Missie F, just twenty-five years ago. It would take pages to record the accomplishments of her descendants and they've done as well in Australia as in the United States. Seven International Grand Champion bulls combine to assure that Oakwood Merry Missie would produce such a heifer.

She will be mated to Oakwood Mainstay. Study his pictures, his background, visualize what that calf could do for YOUR HERD! We think that she can do as much for her buyer as Maxwalton Missie F has done for OAKWOOD!

**OAKWOOD LAVENDER 23RD** is one of the best. Anyway you look at her, she pleases the eye. She's a show heifer, possessed of style and class befitting a champion. She is a full sister to Oakwood Loyal Leader, the first prize Summer yearling bull at the 1950 International, now heading the herd of Robert Hahn, Minonk, Ill.

Her dam is a deep bodied, thick, low-set cow that is a heavy milker. This heifer took her dam's milk and ran to a creep, she's not been pushed, so we know that she will go on and "do" if you want to show a winner. She's included in the offering to make it our BEST and she will be one of the BEST ANYWHERE!

Bonnie Butterfly 4th x

When Carl Forney priced **BONNY BUTTERFLY 4TH** to me in Omaha I was positive I wouldn't buy her, but drove 250 miles just to "see." We submit her in this sale as ample evidence of why we changed our minds and we can say to you that Hal Longley and Hal Longley alone is responsible for our change of plans to ever part with her.

I don't think I have ever seen one that fills my eye more completely. She has the head and front of a brood cow. She's thick, naturally thick, and she's wide from end to end—she's smooth and she's sweet—a quality package! She's out of a grand cow and she's from a known family of "doing" cattle. She is sired by a real sire of good calves.

I wanted to mate her to Oakwood Mainstay for a herd bull of the future. I wanted her to spend her life at Oakwood founding a family like Milrig Estelle left us. I wanted to show her in the 1951 shows, and we still must reserve that right.

Hal Longley contends that Polled Shorthorn breeders have made the mistake of not offering such outstanding females in auction sales and so we are going all out in this event to make available the kind we need to breed **BETTER** polled shorthorns!

Owned by C. B. Teegardin & Sons, Ashville, Ohio

Collynie Beauty x

**COLLYNIE BEAUTY** is all her name implies, and we, at Oakwood, call her a show heifer. Take her pedigree apart and you'll see at a glance that she is right by her inheritance. Her dam is a most impressive cow—deep, thick, wide, the kind we all aspire to own. Her sire is a son of Lynnwood Nugget, in service at Lynnwood Farms, and the sire of the \$5000 Riverdale, who heads the McCeney herd at Capon Bridge, W. Va.

We feel that she is worthy of being mated to Oakwood Mainstay, the 1950 International Reserve Champion bull and we want to reserve the right to show Collynie Beauty. Wonder what her record will read like in 1960? I'd rather be her buyer than to have to one day say, "Yes, I remember that day when I missed owning her"!

**QUEEN OF HEARTS** is a real top-notch prospect for a brood cow. We like her head, her depth, her thickness and her breedy balance. We like her inheritance. She is sired by the 1946 National Congress Reserve Champion bull. Her dam is a granddaughter of Oakwood Merry King, and a deep bodied and thick one! Her second dam is a granddaughter of Oakwood Royal King. We regret that we didn't get a picture of this heifer, but she'll fill your eye when you see her. She is mated to Oakwood Mainstay, the 1950 International Reserve Champion bull.

**KINTYRE BONNIE LADY** was the Omaha Reserve Champion female. Any-way you look at her she's quite a heifer. Sweet headed, short legged, deep bodied and smooth, she's quite a package.

These four Scottish Peer heifers should stay together. What a start they'd give some herd!

We need more Polled Shorthorns like this heifer. She will be offered with a breeding privilege to Oakwood Bequest, Grand Champion bull at the 1950 Illinois, Ohio, Maryland and West Virginia State Fairs.

She's red—all red, and she's a sweet headed, thick, wide ended heifer. **KINTYRE QUEEN OF BEAUTY 2D** was the Grand Champion female at the recent Omaha Sale. I think that she could be a champion in fast company but I'd like to think of her as a foundation female in a great herd of brood cows. Down thru the years the Bellows Queen of Beauty family has made history—breed history—and this heifer can write a chapter in "POLLED SHORTHORN ACHIEVEMENT."

She is a granddaughter of Golden Victory, full brother to the celebrated Supreme Goldfinder. She is sired by Scottish Peer, a great bull and a great sire, and she's mated to Oakwood Mainstay, the top selling bull of the breed. What would you give for that calf?

**JANESWAY GLADNESS** is one of which we are very proud. She was the Reserve Champion female in the November Ohio State Sale. She's a heifer of show-ring calibre—not one for the tall timber circuit—she's worthy of last competition.

She is sired by the \$5000 Oakwood Grand Duke, son of Gosshall Ximenes and Oakwood Lady Gloster, by the "peer of sires" Oakwood Royal King. Her dam is by the 1940 International Grand Champion, Oakwood Commander, whose dam is also by Oakwood Royal King. To us, this heifer represents an accentration of Oakwood blood thro two other herds and we are PROUD of the RESULT! She is due to calve in September to the Champion Oakwood Bequest. It wouldn't be idle thinking to believe that calf could be WORTH OWNING!

Her dam is a double-bred granddaughter of Shadybrook Monarch, by Lord Collynie, both International Grand Champions. Scottish Peer is a grandson of King Collynie Jr., while his dam descends from the famed Maxwalton Missie family, backed by Revolution, Maxwalton Renown, and the celebrated Avondale.

We firmly believe that inheritance is a factor that "assures" or "limits" your success in this business. Feed and care are important but you can't make champions with feed and care ALONE! Buy this heifer—she has that "necessary factor!"

**OAKWOOD HAPPINESS 12th x**, closely related to Lot 25 in this sale. She was sold in the 1950 Oakwood sale to Ashbourne Farms, Prospect, Kentucky, to become a foundation female for their Polled Shorthorn herd.

**OAKWOOD HAPPINESS 15TH** isn't in condition to bring her worth, but she's a daughter of Commander in Chief that inherits the right to produce top cattle. Oakwood Hope, her great granddam, was the undefeated wet cow of the 1930 State Fair Circuit, closing her career by being made Grand Champion at the Eastern States Exposition in horned competition. She was nursing Oakwood Happiness at the time and HER first calf was Oakwood Harmony. Hope also produced Oakwood Hope 2d, dam of Oakwood Commander, 1940 International Grand Champion, and the \$4000 Oakwood Lieutenant Commander, exported to South Africa where he did so well for King Bros. There's REAL PERFORMANCE behind THIS heifer!

**OAKWOOD NONPAREIL A** is a heifer that shouldn't ever leave Oakwood! No herd EVER had enough of her kind! She is a top heifer and certainly from a top family. First of all, she is a daughter of Commander in Chief. Second, she is out of the dam of Oakwood Conqueror. She was 3rd in class at the International and a member of the winning groups at that show. She is a better heifer today than ever and she will be needed in our 1951 show herd.

Her granddam produced the 1946 International Reserve Champion female, and in the Cherry Hill Dispersion she went to Penn State College as an old cow at \$1900. Oakwood Nonpareil A will be mated to Oakwood Mainstay, the \$6500 International Reserve Champion bull. It's our idea of a "perfect nick" and the possibilities for that calf are UNLIMITED! Owning her kind is YOUR guarantee of SUCCESS!

RESTORATION'S ROAN LADY is a solid red, double granddaughter of Gosshall Ximenes and if you wonder about this cross, just have a look at Oakwood Distinction, the summer bull we are planning to show, and Oakwood Gladness, 1950 International reserve champion female. Both are sired by a son and out of a daughter of Gosshall Ximenes.

She's bred to Oakwood Bequest—and that's guarantee enough that her calf should be WORTH OWNING.

RESTORATION'S RENOWN x, sold in the 1948 sale and now heading the Polled Shorthorn herd of Duncan Stewart in Scotland. Lot 27 in this sale is by the same sire.

**OAKWOOD RESTORATION x**, sold in the 1945 Oakwood sale at \$3,000 to Dr. and Mrs. Parke G. Smith, Cincinnati, Ohio. Now owned in partnership by the Teegardins and Dr. Peters. He is the sire of six heifers selling in this sale.

Oakwood Happiness 11th, 1950 Ohio and West Virginia Grand Champion female. We sold her in the 1950 Congress Sale to Roy Hopper, Fredonia, New York and reserved the right to show her. Like Lot 29, she is a granddaughter of Imp. Gosshall Ximenes.

**RESTORATION'S CORONITA** is quite a brood cow prospect, sweet-headed, deep bodied and thick, she's the kind. The first calf from this cow, Commodore's Victor, was also sired by a son of Gosshall Ximenes and went to head the herd of Russell Goodwin, So. Berwick, Maine. Chas. Luske, Houston, Texas, paid \$800 for a daughter of Claytoun's Coronita in the 1950 Thieman sale and she was by Oakwood Modern Trend. This heifer is by another son of Gosshall Ximenes and we think the best one out of this excellent breeding cow.

**RESTORATION'S CLIPPER** is a red heifer that we'd say was bred right to make a breeding cow. Her dam is a heavy milking, thick daughter of the 1936 International Grand Champion, Oakwood Emperor.

Look at the line-up of sires in the third generation—Oakwood Royal King, the 1930 International twice, Coldoch Union Jack, a Perth supreme champion, and Aberfeldy Coronet, a great sire from Canada. She's bred to Oakwood Conqueror and she'll be a bargain.

**RESTORATION'S MISSIE** is a good headed, deep, thick, level-lined heifer, a balanced kind. Remember Monarch's Missie that Janesway Farms bought in our 1948 sale at \$1025 and Modern Missie purchased by Carl Cross in our 1949 sale. Yes, they were out of the same dam as Restoration's Missie. Modern Missie was exported to New Zealand by Carl Cross in 1949 and this heifer is another of the same pattern.

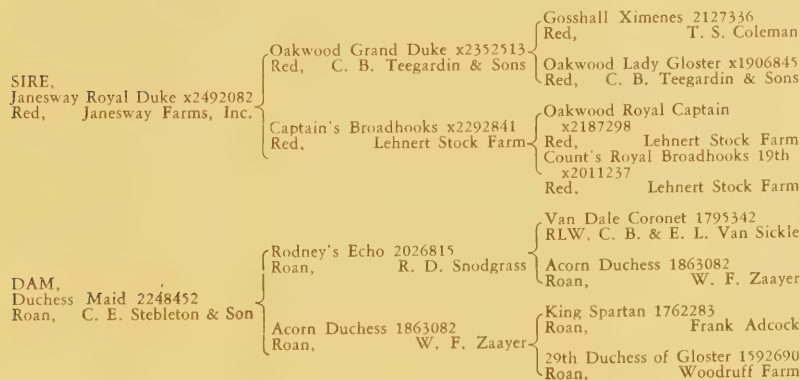

Coldoch Union Jack was a Perth supreme champion—Oakwood Royal King and Oakwood Emperor were both International grand champions and Oakwood Legend was by Oakwood Royal King. Oakwood Creed headed his class at the International twice. Would any heifer need a stronger inheritance?

Red, calved March 10, 1950. Bred by C. E. Stebleton, Canal Winchester, Ohio; 2d owner, March 10, 1951, C. B. Teegardin & Sons, Ashville, Ohio

**OAKWOOD GRAND DUKE x**, the \$5,000 stock bull that is siring such outstanding calves at Janesway Farms, Chillicothe, Ohio. Lot 32 is one of his granddaughters.

**FAIRFIELD ROYAL MAID** is a dark, rich colored heifer with brood cow promise. She's a granddaughter of the \$5,000 Oakwood Grand Duke, that is siring a great lot of calves for Janesway. This heifer belongs to the Duchess of Gloster family, recognized as one of the BREED'S BEST. Her dam and her granddam are real top cows—and this heifer will make one of the same kind. She'll be mated to Oakwood Bequest.

Restoration's Gloster x

**RESTORATION'S GLOSTER** is a show prospect that has all the qualifications of a brood cow. Her picture doesn't do her justice but she is one of the best. Sweet head, deep bodied, wide, level, she's a balanced heifer from any angle.

She's a granddaughter of Gosshall Ximenes and a great granddaughter of Oakwood Royal King, through her sire. Her dam is a top daughter of the \$1500 Oakwood Esquire and her grand dam was the top female in our 1942 Sale at \$1410. Oakwood Gloster B is back at Oakwood and still doing a real job as a producer. With such a background we'd recommend her as the kind from which **BETTER** polled shorthorns can be expected!

# A Word About The Hawkins Heifers In This Sale

For ten years we have bought most of the heifers available in the James H. Hawkins' herd.

Universally, these heifers have developed into excellent and profitable brood cows for their owners.

Jim Hawkins has always used the best of bulls and his first polled bull was a son of Oakwood Royal King. He followed up with Emperor's Bard, a son of Oakwood Emperor, who was a one hundred per cent de-horner and an impressive sire. The next herd bull was Scottish Pride, a solid red son of Scottish Peer, likewise a one hundred per cent de-horner and a top sire. Maxwalton Watchword, the sire of these heifers, was the top selling bull in the 1946 Ohio Polled Shorthorn Breeders' Sale and he has

proven an excellent choice.

A year ago we purchased the full sisters to these heifers and sold them as a group, mated to our Oakwood herd bulls, to J. L. Adams, L & L Farm, Dothan, Alabama.

If you wonder about the calves, ask Jim Adams on Sale Day or ask Stan Perkins, Shorthorn Fieldman who has recently visited L & L Farm.

We have mated these heifers to Oakwood Bequest and Oakwood Conqueror and we are glad to include these ten daughters of Maxwalton Watchword in this offering, for we know they'll speak well for the constructive breeding programme of Jim Hawkins as well as for Oakwood Bequest and Oakwood Conqueror.

A group of the Hawkins heifers that are listed in this sale. They are of top quality and carry the service of Oakwood Bequest x and Oakwood Conqueror x.

**MAXINE GLOSTER 2D x**, sold in the 1949 Oakwood sale to the Dodds herd, Salem, Missouri. She is almost a full sister to Lot 34 in this sale, being sired by Maxwalton Watchword x and out of a daughter of Maxwalton Gloster 81st.

**OAKLAND DUCHESS 5TH** could be one of the "buys of the year," for all the  
heifers out of her dam have a way of making good. Roy Hopper, Fredonia,  
New York, paid us \$975 for Oakwood Scottish Duchess, and the heifer calf  
she was carrying by Oakwood Leader was one of the best calves dropped in  
1948. \$2000 didn't tempt Roy to change her ownership and the cow continues  
to produce good ones every year. It wouldn't be impossible for this heifer to  
do the same thing!

Above are shown a quartet of the Hawkins-bred heifers that are selling in this sale.

**OAKLAND BEAUTY** is a dark roan Kilblean Beauty, one of the most reliable of Scotch families. She is descended from the Imported cow mated to Whitehall Sultan, purchased by Jas. Hawkins' father. She is a double-bred granddaughter of Scottish Peer and her third dam is by Emperor's Bard, by our 1936 International Grand Champion, Oakwood Emperor.

**OAKWOOD SCOTTISH DUCHESS x**, typical of the Hawkins-bred heifers that are offered in this sale. This one sold in the 1947 Oakwood sale to Roy Hopper, Fredonia, New York. She is from the same family as Lot 38 in this sale.

**OAKLAND DUCHESS 4TH** is a solid red heifer of the Duchess of Gloster family. She's bred right, too. Her dam is a granddaughter of Scottish Peer and the second dam is a granddaughter of Oakwood Emperor and produced the \$975 heifer sold in our 1947 Sale to Roy Hopper, Fredonia, New York. These Hawkins heifers aren't carrying much flesh, but they will be worth more money every day you own them. They are just that kind!

**OAKWOOD ANNETTE 4TH x.** sold in the 1950 Oakwood sale to add to the strong herd owned by W. H. McCeney, Jr., Sporting Field Farms, Capon Bridge, West Virginia.

**OAKLAND MINA ROSE** is a rich, red granddaughter of Scottish Pride. Her granddam is a granddaughter of Oakwood Emperor, by Oakwood Royal King, the "peer of sires." The third dam is sired by Oakwood Jolly King, red son of Oakwood Royal King. This Mina family has been on the Hawkins' farm for almost a half century and they've been the "profitable kind." This heifer is due to calve in November to Oakwood Bequest.

**OAKWOOD LANCASTER x.** sold in the 1950 Oakwood sale to become one of the foundation females in the great herd being established by Charles M. Lusk, Houston, Texas. She is a daughter of Oakwood Leader x.

**OAKLAND MINA ROSE 2D** is a red heifer that deserves more than passing consideration. Jim Hawkins' father purchased the Imported cow back in 1902 when he founded his herd and nothing but top notch bulls have ever been used in the Oakland herd. Here's a heifer with a double infusion of Scottish Peer blood and with a cross of Oakwood Emperor and Oakwood Royal King backing up.

She is out of a granddaughter of Oakwood Emperor and her second dam is a full sister to the dam of Oakwood Command.

**OAKWOOD COMMAND x.** the many times champion son of Coronet Command that sold in the 1945 Oakwood sale at \$4700 to James Scrymgeour, Netherby Stud, Queensland, Australia.

**OAKLAND VICTORIA 8TH** is one we would like to keep. She isn't a show heifer, but we owned two full sisters to her dam and one of them produced the \$4700 Oakwood Command, sold for export to Australia in our 1945 Sale. Browndale Golden Victor was a one hundred per cent de-horner and we scattered his daughters pretty widely over the United States. They made real brood cows and one of them produced an International Reserve Champion for Cherry Hill. Granddam of this heifer is a granddaughter of Oakwood Royal King, too.

**ROAN LADY OF OAKWOOD 3D x**, a top daughter of Imp, Gosshall Ximenes that is now a foundation female in the herd of R. C. Armstrong, Teeswater, Ontario, Canada.

**OAKLAND VICTORIA 7TH** has that certain something you associate with a real breeding cow. Look at that head—and she's a thick sort, and with substance. Out of another granddaughter of Scottish Peer, sire of the two Omaha Champions selling in this sale, her second dam is a full sister to the dam of Oakwood Command, sire of so many winners and top selling animals in Australia. Incidentally, her third dam is a granddaughter of Oakwood Royal King. She'll calve early in November to the service of Oakwood Bequest.

## *A Word About The Lightner Herd*

This sale affords an opportunity to buy a small group of Polled Shorthorns that are rarely available. Dr. R. E. Lightner, Kingston, Ohio, sold his small but very select herd to Paul Teegardin the last week in March. Dr. Lightner never had a large herd, but few were more closely culled. His productions have met a ready market—for they were richly bred and sired by bulls of recognized repute—each a top son of a noted sire.

All his herd bulls have been selected at Oakwood. His first, a thick, deep bodied son of Oakwood Emperor, out of the great old breeding cow, Oakwood Rosewood 7th

by Oakwood Royal King, thus making him a double bred grandson of this, the peer of Polled Shorthorn sires.

The second herd bull was a rich roan son of the 1941 International grand champion, Coronet Command. This bull was an excellent sire and a 100% dehorned.

The present herd bull is Oakwood Modern Trend, owned in partnership with Dr. R. S. Hosler, Ashville, Ohio, and Dr. Geo. E. Peters Est., Columbus, Ohio. He is a son of Gosshall Ximenes—and he's a full brother to Oakwood Missie 14th, the dam of the \$6,500 Oakwood Mainstay.

These cows are exceptionally heavy milkers. They are in just ordinary breeding condition but they are "working" and have the evidence to prove it. The calves at foot are ample testimony to the wisdom of Dr. Lightner's breeding program. The cows with calves at foot will be mated to Oakwood herd bulls and they are being offered with the customary Oakwood guarantee.

Those of us who know Paul Teegardin best know that he never buys cattle to offer in Oakwood sales except the kind that he feels could stay at Oakwood, be mated to Oakwood herd bulls and produce top calves. The record of his judgment has been justified by the many females that have gone out and made "good" over the country.

This little package of proven brood cows will further strengthen his determination to offer the dependable, profitable, satisfactory kind.

—HAL LONGLEY.

**OAKWOOD HOPE 9TH** is another one we had "laid back" for Oakwood, for she just has a "guaranteed look" about her. She has a head that belongs on a brood cow. She's about as short of leg and deep of body as they come, and she has SPREAD, too. She could win in fast company if you want to fit her.

Her dam was the Grand Champion female at the Ohio State Fair and she's one of the better cows in our herd. Her grand dam is a full sister to the \$4000 Oakwood Lieutenant Commander and the great granddam produced our 1940 International Grand Champion, Oakwood Commander. Does this mean something in this livestock breeding business? Coupled with this kind of a heifer it means almost EVERYTHING to us!

**SHRYERHOLM SECRET 2D** is a "proven" brood cow and she has a great head, a breeding cow's head, smooth, level and a good milker. When Hallman Bell dispersed his little herd we bought this cow and her two solid red daughters, for the daughters are the right kind too. We are selling the youngest one, Collynie Secret, in this sale—the other stays at Oakwood.

This cow has at foot a dark, even rich roan bull calf sired by Leader's Commander, son of Oakwood Leader and grandson of Oakwood Lieutenant Commander. This calf looks like "championship timber" to us and the cow will be rebred to Oakwood Bequest.

Someone will solve his herd bull problem for 1952 right here and get a real breeding cow mated to another son of Oakwood Leader. Don't let us excite you—just do your own thinking—she's worth a lot of it!

**SCOTTISH PEER x**, sire of the 1951 Omaha champion and reserve champion females. Lot 51 in this sale is one of his first daughters.

**VILLAGE GLOSTER 3D** is a cow we've always wanted to own. When you see her, you want her. Anyone who appreciates the best in breeding cows will aspire to her ownership. Take a look at the four Scottish Peer heifers in this sale—yes, the Omaha champion and the Omaha reserve champion are half sisters. Go look at her daughter, Village Gloster 4th—and the dark roan heifer calf at side sired by Oakwood Modern Trend.

Her color is ideal, her type is the MODERN TYPE and she's nursing two calves. She will be mated to Oakwood Mainstay, the \$6500 International reserve champion bull. We predict she is the MOST valuable PROVEN brood cow to be sold in 1951.

**COLLYNIE SECRET x2601-956**

Red, calved May 16, 1950. Bred by Hallmon Bell, Logansport, Ind.  
Owned by C. B. Teegardin & Sons, Ashville, Ohio

A lot of fine folks . . . all top-notch cattlemen . . . have bought Polled Shorthorns in Oakwood auctions. Last year the members of this group, from left to right, sold as follows: Elmwood Gloster 3d, sold to Mr. and Mrs. Roy Hopper, Fredonia, N. Y.; Oakwood Highland Joy and Oakwood Annette 3d sold to South & Gallagher, Franklin, Ohio! Oakshade Mayflower 6th, sold to W. W. Rapley, Potomac, Md.; and Oakwood Gypsy Maid 2d, sold to Melvin Kyger, Circle ville, Ohio.

**COLLYNIE SECRET** is a sweet headed, solid red heifer with depth, thickness and balance—a real prospect to build a herd around. See her dam and the bull calf at side—then ask us about her full sister that is to stay at Oakwood.

Her sire is a son of Collynie Type 3d, noted sire in both the Lynnwood and Hultine herds—and he's by the great breeding bull, King Collynie Jr. Her dam is a granddaughter of the same bull—Collynie Type 3d and her granddam is by a son of Oakwood Royal King. Guess she has a background of inheritance that certainly would guarantee her PROMISE.

**Where can you find thicker, blockier**

**Please study this catalog . . . We want you to be convinced that**

**heifers with better polled heads?**

**every Oakwood animal is a superior individual by INHERITANCE**

OAKWOOD REGENT

We have developed and shown eight International Grand Champion bulls and three International Reserve Champion bulls. All eleven of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!
